There have been several studies concerning women in Ethiopia. Historically, elite women in Ethiopia have been visible as administrators and warriors. This never translated into any benefit to improve the rights of women, but it had meant that women could inherit and own property, and act as advisors on important communal matters.

Women in Ethiopia - Wikipedia

Social justice is a concept of fair and just relations between the individual and society. This is measured by the explicit and tacit terms for the distribution of wealth, opportunities for personal activity, and social privileges. In Western as well as in older Asian cultures, the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal ...

The Role of Education Quality in Economic Growth. by Eric A. Hanushek and Ludger Wößmann. The importance of education is emphasized by society. However, the role of improved schooling, a central part of most development strategies, has become controversial because expansion of school attainment has not guaranteed improved economic conditions.

Notes on. Acts. 2019 Edition. Dr. Thomas L. Constable. Introduction. Title. The title "Acts of the Apostles" is very ancient. The Anti-Marcionite Prologue to the Gospel of Luke (A.D. 150-180) contains the oldest reference to the book by this name. The title is a bit misleading, however, because the book contains only a few of the "acts" of some of the apostles, primarily Peter and Paul.
