Medieval Europe (c.590 - c.1500) - Ms McCutcheon's Classes

Creating healthy, liveable and sustainable cities is a major challenge in the face of population growth, social inequalities, traffic congestion, peak oil and increases in non-communicable diseases. Planning and delivering better cities is a local, national and global priority. Healthy and liveable communities provide the basis for social equity, harmony, economic resilience and environmental ...

The economies of Canada and the United States are similar because they are both developed countries and are each other's largest trading partners. However, key differences in population makeup, geography, government policies and productivity all result in different economies. While both countries are in the list of top ten economies in the world in 2018, the US is the largest economy in the ...
