Getting large dildo removed through abdomen is not as rare as you might think. After all your nerves and pleasure senses become null, how do you get your next fix? Well trained surgeons in unspecified land put their years of expertise to good use and force out the obstructing object, an enormous dildo, through a small incision in the stomach.

Africa has the world's oldest record of human technological achievement: the oldest stone tools in the world have been found in eastern Africa, and later evidence for tool production by our hominin ancestors has been found across Sub-Saharan Africa. The history of science and technology in Africa since then has, however, received relatively little attention compared to other regions of the ...
